

## Green House (Lyon Saint-Just, France)

**Brief:** private house -  
**Area:** 140 sq.m. -  
**Cost:** 38 000 € (valued in 1984) -  
**Schedule:** detailed studies 1984, site work 1984 -  
**Client:** private  
**With:** Gilles Perraudin.

A horticultural green house was ordered via catalogue, erected by the supplier over three days, arranged internally by the owner, and subsequently reorganised a number of times so as to accommodate the family's changing requirements. The traditional climatic controlling devices were maintained: shading fabrics, natural ventilation, whitening applied to the glass, etc...
